SIDRA-SHAFIQ

Email: sidrarana703@gmail.com

Objective:

As a recent graduate passionate about web development, I am eager to join a dynamic team as a Junior Web Developer. I bring a strong foundation in Python, Django, HTML, CSS, and JavaScript, along with a dedication to learning and contributing to innovative web projects.

Education:

Bachelor in Information Technology (IT) University of Sargodha   2017 – 2021

Relevant Coursework:

- Front-end Development with HTML, CSS, and JavaScript
- Back-end Development with Python and Django

Skills:

- Programming Languages: Python, JavaScript
- Web Development: HTML, CSS, Django, React
- Front-end Technologies: Bootstrap, JavaScript
- Database Management: MySQL
- Version Control: Git
- IDEs and Tools: Visual Studio Code, PyCharm, Git Bash
- Team Collaboration: Effective communication and teamwork skills

Projects:

Personal Portfolio Website

- Developed a responsive portfolio website using Django, HTML, CSS, and JavaScript.
- Implemented a mobile-first design approach for a better user experience. Showcased personal projects and skills.

Task List Web Application

- Created a task list application using HTML, CSS, and JavaScript.
- Implemented features such as adding, deleting, and updating tasks. Applied local storage to save task data.

E-commerce website

Created e-commerce website using HTML, CSS and JavaScript.

Registration System

Created a registration system using Django, HTML, and CSS.
